**Generally Information:**

All products have undergone our detailed testing and reconditioning program. During this process every unit is labeled with a certain grade to ensure you get the products you expect. In our sales lists you can see the test result of each unit.

In common, all devices (communication field) are without SIM-Lock or iCloud (Apple). If we have devices incoming, that may be locked, this will be mentioned in our offers. Thus kind of devices are available **in our special sales only**, not inside the main program.
